

MESIVTA BIRKAS YITZCHOK
GENERAL STUDIES BOOK LIST – 5783-84; 2023-2024

GRADE ELEVEN

Students are expected to come to the first day of class fully prepared with all required texts. Please order all your texts early.

*Note: **You may wish to purchase used books from last year's students.** When ordering General Studies textbooks online, make sure the ISBN number (or ASIN – Amazon Standard Identification Number) is accurate so you get the correct edition. Try both www.amazon.com and www.barnesandnoble.com. Prices are not always uniform. Do not go into shock – many textbooks are very expensive but used books are very economical.*
